Proceedings of the Madras Government, Financial Department,
15th March 1875.

Police—Salt Guards.

No. 148. Read the following Proceedings of Government, in the Revenue Department, dated 8th March 1875, No. 379:—

ABSTRACT.—Approving the scheme for strengthening the Salt Guards in Ganjam District, as finally revised by the Board of Revenue, and transmitting it to the Financial Department for the issue of orders as to the increased expenditure involved in it, and sanctioning the provision of boats as proposed.

No. 149. ORDER THEREON, 15th March 1875, No. 578.

From the papers received with the above Revenue Department Proceedings, it appears that the increased yearly cost is—

	RS.
For patrols	7,348
,, permanent guard	1,498
Total ...	8,846

2. Some modification of the pay of the Patrol Sub-Inspectors, approved by the Board of Revenue, appears to result in an increased charge of Rupees 600, which, however, may, it is said, be neutralised by reduction of the provision for travelling allowances.

3. The Inspector-General of Police will submit an abstract statement showing clearly the present and proposed establishments and the financial effect of the change with the additional amount for which provision has to be made.
