Memorandum.

The Forest appoint-
ments published in the
Gazette of the 23^d March 1875
were made agreeably to the
Memorandum furnished by
Captain Walker in Decr
1874. The following is an
extract from that Memorandum

"Subsequent in April
Revenue Dept.

Despatch (2)

Mr. R. Williams, Deputy
Conservator of the 3^d

Claps

Revenue 1875 despatch

18/10/74.

Principles of the Forest

Order 23^d March 1875

According to the
to G. S. Douglas to the
22^d April, and August 1875.
Principles, to the 18th Decr 1875.
Order - in effect from 1st April -
the Mr. R. Williams to the
with effect from 24th April.

Substant
23^d March 1875-

Order 1

Clap, to be Deputy Conservator
of the 2^d Clap from 24th April
1875.

Mr H. I. Woodbridge (if he passes)

Mr A. L. Peck (if not), Deputy
Conservator of the 4th Clap, Vice
Deputy Conservator of the 3^d Clap
vice R. Williams "

Mr Woodbridge has
not yet passed, and it is
not usual for Govt to defer
appointments till one passes.

Besides, Govt remarked in their
order dated 3^d Feb: 1875, that
Mr Woodbridge, who was
appointed to the Dept in
August 1870, has not qualified
himself by passing the Examin-
ation although he has had ample
time

time, allowed him and Mr
Boileau one more year, and
remarked that meanwhile
neither of these officers can
be promoted - Mr Woodbridge
must therefore wait for the
first opportunity that offers
after he passes and promotion
ones from to another officer
cannot be cancelled simply
to give the place to Mr
Woodbridge when he passes.

There will, however, be no
vacancy for Mr Peck in the
3^d Clap till the 24th of this
month, and the error in this respect
will be corrected by a notification
in the Gazette.
