Memorandum.

The Forest appointments published in the Gazette of the 23^d March 1875 were made agreeably to the memorandum furnished by Captain Walker in Decr 1874 - The following is an extract from that memorandum

"Subsequent in April

Mr. R. Williams, Deputy
Conservator of the 3^d

Mr. R. Williams, Deputy
Conservator of the 3^d
District, C. P. Houtwater
23^d March 1875.

23^d March 1875-
Revenue

Conservator

Clap, to be Deputy Conservator
of the 2^d Clap from 24th April
1875.

Mr H. I. Woodbridge (if he passes)

Mr A. W. Peck (if not), Deputy
Conservator of the 4th Clap, & be
Deputy Conservator of the 3^d Clap
vice R. Williams "

Mr Woodbridge has
not yet passed, and it is
not usual for him to defer
appointments till one passes.

Besides, Gov^t remarked in their
order dated 3^d Feb: 1875, that

Mr Woodbridge, who was
appointed to the Dept in

August 1870, has not qualified
himself by passing the examina-
tion although he has had ample
time

time, allowed him and Mr
Boileau one more year, and
remarked that meanwhile
neither of these officers can
be promoted - Mr Woodbridge
must therefore wait for the
first opportunity that offers
after he passes and promotion
ones from to another officer
cannot be cancelled simply
to give the place to Mr
Woodbridge when he passes.

There will, however, be no
vacancy for Mr Peck in the
3^d Clap till the 24th of this
month, and the error in this respect
will be corrected by a notification
in the Gazette.
