Proceedings of the Madras Government, Financial Department, 13th March 1875.

Municipal Budget.

No. 142. Read the following letter from H. S. THOMAS, Esq., President of the Municipal Commission, Mayaveram, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Vallam, 11th February 1875, No. 17:—

I have the honor to forward the Budget Estimates, showing the receipts and disbursements of the Mayaveram Municipality, for the year 1875-76, in the forms prescribed in G.O., dated 28th October 1871, No. 1646.

2. From Statement I. it will be observed that the gross receipts of the Municipality have been estimated at Rupees 16,650, showing an increase of Rupees 1,450 over the current year's estimate, due chiefly to an excess of Rupees 550 in the income from Tax on Houses, &c., and the contribution of Rupees 945 from Government towards Elementary Education and the pay of the Hospital Apprentice, which was not included in the Budget of the current year.

3. The chief item of the proposed expenditure under Grant I. is the sum of Rupees 2,000 put down for the construction of a school.

4. The excess of expenditure over current year's estimate under Grant II., Schools, is due chiefly to the appointment of a teacher on a salary of Rupees 25 for the highest class in the Mayaveram Town School, and which was newly formed in the month of October last, as per resolution of the Commissioners, dated 28th September 1874 (copy enclosed).

5. The Commissioners having extended the hospital building propose to take in in-patients, and have allotted the sum of Rupees 389 for their dieting during the coming year; and the appointment of a Hospital Apprentice to their Dispensary has raised the allotment for Dispensary Establishment to Rupees 1,103 inclusive of the bedding, &c., charges. Hence the increase of Rupees 580 under Grant III.

6. As the Commissioners propose to put up some more lights during the ensuing year, they have increased the allotment for Lighting to Rupees 1,000.

7. The increased expenditure under Grant V., Office Establishment, is due chiefly to the salary of the Head Clerk and second Clerk being proposed to be raised from Rupees 25 and 15, respectively, to Rupees 30 and 17½, as also to the entertainment of another Clerk on Rupees 6.

EXTRACT from the Proceedings of the Municipal Commissioners for the Town of Mayaveram, dated 28th September 1874.

2. The last column of Statements I. and II. should have been filled up with the regular estimates for 1874-75.

3. It is not clear why the opening balance is estimated at the same figure as that for the current year.

4. The receipts are expected to be larger than those for the current year, owing to the grant from Government for Elementary Education and for the Hospital. The latter, which consists of one-fourth of the salary of the medical subordinate, need not be shown in the Municipal accounts as the charge will be debited to Provincial Funds direct.

5. The various items of expenditure are fully explained in the Vice-President's letter, and the Budget is passed as submitted.

6. The proposed increase to the pay of the Clerks in the Municipal Office and to the Staff of Teachers in the Town School is sanctioned.
