Local Fund—Medical.

No. 181. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 15th March 1875, No. 132:—

With reference to paragraph 5 of the Order of Government, Financial Department, No. 189, of 1st February 1875, I have the honor to report, for the information of the Right Honorable the Governor in Council, that I highly approve of the proposal of the Local Fund Board at Ellore to entertain a second-class Hospital Assistant as a travelling Medical Officer to itinerate with medicines wherever he may be wanted in the district. I proposed this on a larger scale in paragraphs 7 and 6 of my letters, Nos. 115* and 144, dated 15th April 1872, and 18th April 1873, and consider that this proposal from Ellore is very acceptable, and can do great good. Should Government sanction the measure, I shall be prepared to detail a selected man at the close of the present session of the Medical College.

* In G.O., No. 1413, of 30th December 1872.

2. I would mention that a selected man's pay and allowances ought not to be calculated by any rule. The travelling batta of a second-class Hospital Assistant attached to a Revenue Officer on jummabundy is 8 Annas per diem. I beg to propose a slightly increased rate of 50 per cent. of pay of rank, or Rupees 20 per mensem, to the second-class Hospital Assistant for Ellore, to attract and retain for that service a volunteer in lieu of a pressed man.

No. 182. ORDER THEREON, 19th March 1875, No. 613.

The entertainment of a travelling Medical Officer is approved, but the Government are not prepared to sanction more than the ordinary travelling allowances.
