*Proceedings of the Madras Government, Public Works Department,

No. 413.

ORDER THEREON, 16th March 1875, No. 735.

ACCOUNT, No. 25.

The grant from Provincial Funds assigned to the Public Works Department having been fixed by Financial

Order, No. 345, of 16th February 1875, at 8 lakhs of rupees, that amount is distributed as follows:—

	New Works.	Repairs.	Total.
	Rs.	Rs.	Rs.
Civil Buildings	2,92,505	1,14,405	4,06,910

Establishment			1,55,000
Minor New Works at the disposal of District Engineers	11,000		11,000
Total			8,00,000

2. Owing to the smallness of the grant, it has been found impossible to allot funds for any buildings not already in progress, but a very few really urgent works. And for the same reason, nothing has been left at the disposal of Government under the head of Reserve. District Engineers will be careful not to exceed the allotments under Repairs, as it will not be possible to augment the grants under that head.

6. In the Educational Fund Budget received with the Financial Order, No. 2,171, of 20th December 1874, the grant made for establishment on account of works to be executed by the Public Works Department is Rupees 2,720 only; but, as the total of the Educational Fund Works (including the Senate House and the Combaconum College for which grants have been entered subject to the confirmation of the Financial Department) amounts to Rupees 96,371, that department will be requested to provide 25 per cent. on the total grant.

7. The Financial Department will also be requested to provide 25 per cent. on account of Establishment charges on the sums noted in the margin for Police Lodging, Port and Canal Fund Works, as well as for the residence of the Prince of Arcot, for which a sum of Rupees 32,400 is entered.

8. With reference to G. O., No. 242 of 5th February 1875, the Financial Department will be furnished with copy of letter, No. 11, dated 4th January 1875,

* G. O. No. 21, of 7th January 1875.

† Inclusive of Rupees 1,300 for the maintenance of Plant at Bangalore. G. O., No. 1075-A, of 24th July 1874.

*Proceedings of the Madras Government, Public Works Department,

to the Government of India, and G. O., No. 10 of the same date, in which a grant to Provincial of 22,000 Rupees on account of the Upper Godavery Works, whereof Rupees 3,000 is chargeable to Works, and Rupees 24,000 to Establishment, is accepted.

9. The Police grant has in accordance with the usual practice been shown in lump sums, the detailed distribution being given in G. O., No. 3,594, dated 21st December 1874, and No. 131, dated 18th January 1875, and modified by G. O., No. 617 of 3rd March 1875; but it will be distinctly understood that the grants lapse unless plans and estimates have been submitted in time for sanction before the 1st April—see G. O., No. 1,654 of 9th July 1872.

10. In paragraph 12 of the Financial Department G. O., No. 2,175 of 29th December 1874, Rupees 22,289 are allotted from the Convict Labor Fund for certain jail works. The works for which the above sum is given are noted below:—

1. North Arcot.—Enlarging No. 4 ward and workshop for Nos. 2 and 4 wards of the Central Jail at Vellore	Rs. 6,880
2. Kurnool.—Completion of the subsidiary Jail at Kurnool	3,530
3. Malabar.—Renewing the paling of the District Jail at Calicut	1,100
4. Coimbatore.—Constructing a new range of solitary cells, &c., in the Central Jail at Coimbatore	8,000
5. Kistna.—Godavari and Rappah Subsidiary Jails	2,779
Total	22,289

Nos. 1, 2, and 4 are entered in the Budget now circulated; Nos. 3 and 5 have been omitted therefrom, as provision to the full extent has been made for them in the orders disposing of the statements of Savings and Demands. The allotments made for these latter works as well as the excess grant of Rupees 920 over the amount of the estimate sanctioned for No. 4, amounting in the aggregate to Rupees 7,229, are, therefore, available for transfer, and the Financial Department will accordingly be requested to transfer this sum to the following sanctioned works:—

1. Nellore.—Improvements to the Sub-Collector's Cutcherry at Darsi—G. O. No. 1,486 of 11th August 1874, Financial Department	Rs. 4,000
2. Do.—Subsidiary Jail of two wards with out-buildings and alterations to the Sub-Collector's Cutcherry at Kavali—G. O. No. 1,486 of 11th August 1874, Financial Department	3,229
Total	7,229

11. In the Budget received from the District Engineer, Vizagapatam, the Subsidiary Jails at Galapattinapalem and Palcondah are entered, and G. O., No. 1,119, dated 6th April 1869, quoted as the authority sanctioning the estimates. On reference to paragraph 4 of G. O., No. 1,204 of 29th August 1871, Judicial Department, communicated with Public Works G. O., No. 87 of 9th September 1871, the District Engineer will observe that these sanctions have been cancelled.

12. Several District Engineers have entered in their Budgets, Works for which plans and estimates have not been sanctioned by Government. It is strictly enjoined that in future Budgets none but works for which plans and estimates have been duly sanctioned by Government, or those for which plans and estimates have been submitted and are pending the orders of Government, shall be entered. Heads of Departments will be requested to place themselves in communication with District Engineers, so that plans and estimates may be prepared and submitted for sanction in time for entry in the Budget.

*Proceedings of the Madras Government, Public Works Department,
16th March 1875.*

13. It is also observed that in some districts, especially in those of Godavery, Kistna, Cuddapah, and Malabar, several works below 2,500 rupees, which cannot find a place in the Budget, have been entered. District Engineers will, in future, be careful to exclude such works from their Budgets.

14. Below is an abstract of the sums placed at the disposal of the Officers of the Public Works Department in addition to those already made available under Ordinary and Extraordinary and Imperial Buildings and Roads:—
