Dated 17th December — 1874.

From, N° 2482

G. Vans Agnew Esqre,
Collector of Nellore

To, J. Grose Esqre,
Secretary to the Board of Revenue
Madras

Sir,

In reply to the Board's Proceedings, N° 7121, Miscellaneous, dated 12th Instant, I have the honor to state that in cases of Inam &c Lands taken up for public purposes, a deduction equal to the full taram assessment of the lands is allowed on account of the proprietary right and a payment made for the value of the land on account of the occupancy right. This course has hitherto been approved of by the Board and Government. I beg to draw attention

to

to the correspondence marginally noted in which the same course was followed in the case of this very Inamdar.

Board's Proceedings of 2d Nov. 1870, No 6432.

2. In my letter No 2256, dated 2d Instant, I have pointed out the propriety of allowing deductions from quit-rents at the full taram assessment of Inam &c. lands when taken up for public purposes.

Nellore Collector's Office
29th October 1874

I have &c.
(Signed) G. Vans Agnew
Collector.

---

1. Submitted for the orders of Government.

2. For acres 2-64 assessed at Rs 4-1-1 taken up for an irrigation channel, the Collector proposed compensation as follows.

1 Reduction of quit rent to the extent of Rs 4-1-1.

2. Money compensation amounting to Rs 32-15-4 -

The money compensation having been calculated with reference to the selling price of "similar land in the neighbourhood", the Board enquired why, in addition to giving the selling price it was also proposed to deduct the full assessment

4/62

of the land was from the quit rent. The Collector explains that the reduction of quit rent is on account of the proprietary right of the Inamdar, and the money compensation on which, the Board presume, has been calculated at the rates at which Government lands of similar quality paying full assessment sell, is on account of occupancy right.

3. Under these circumstances; the Board sanction the reduction of quit rent and recommend that the money compensation be granted from the funds of the Irrigation Budget.
