No. 135. Read the following Proceedings of the Board of Revenue, dated 9th January 1875, No. 40:—

Read the following letter from Major W. ROBERTSON, Assistant Inspector-General of Police, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 11th December 1874, No. 4,907:—

In the absence of the Inspector-General of Police, I have the honor to forward copy of a letter from the Superintendent of Police, Vizagapatam, regarding the temporary Guard sanctioned in G. O., No. 833, dated 11th August 1873, for patrolling Salt swamps, and with reference to the objection raised by the Superintendent of Police to request that you will inform me, if it is the intention of the Board of Revenue that the patrol of the swamps by the extra guard should be continued, and if so, whether an order of Government on the subject is necessary.

2. Provision for the guard has been made in the budget for the ensuing year, and directions have been sent to the Superintendent to supply it, pending further instructions.

Enclosure No. 1.

From Major W. M. FRAZER, Superintendent of Police, to Major W. ROBERTSON, Assistant Inspector-General of Police, dated Vizagapatam, 1st December 1874, No. 221.

I have the honor to enclose a copy of a communication received from the District Collector, informing me that the special Salt Guard sanctioned in G. O., No. 833 of the 11th August 1873, will be required from some date early in January 1875. It appears by the Government Order in question, that the Guard was sanctioned as a temporary measure for one year only, I think that I cannot, without a special order, enlist men for this purpose for the ensuing year. I therefore request that the Inspector-General of Police will favor me with the necessary instructions on the point.

From H. St. A. GOODRICH, Esq., Acting Collector, to Major W. M. FRAZER, Superintendent of Police, Vizagapatam, dated 19th November 1874, No. 1,757.

I have the honor to inform you, that the extra Salt Guard sanctioned in G. O., No. 833, datsd 11th August 1873, will be required from some date early in January which will be hereafter intimated to you.

2. It does not appear to have been the intention of Government to limit the sanction to a single season, and it is obvious that no permanent results could be obtained from its employment for so short a time. The guard is provided for in the budget, and the Collector considers it still required.
