Salt Works.

No. 183. Read the following letter from R. H. HOLLINGBERY, Esq., Assistant Secretary to the Government of India, Financial Department, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort William, 8th February 1875, No. 1363:—

The Controller of Public Works Accounts, Madras, having asked the Accountant-General, Public Works Department, whether expenditure incurred by Public Works Officers on Salt Works should be debited to the Salt Department or to the Provincial Public Works Grants, I am directed to state that if the works are such as, under the existing rules, require professional supervision by Public Works Officers, they should be constructed by the Public Works Department, and their cost adjusted as expenditure of that department. Any requisite addition to the Provincial assignment for meeting this adjustment will be allowed as to the past. For the future, all such charges will be treated as Imperial Public Works charges under orders which will be issued hereafter.

Copy of the above forwarded to the Public Works Department.

No. 184. ORDER THEREON, 19th March 1875, No. 614.

Communicated to the Revenue and Public Works Departments in view to the issue of such instructions as may be necessary in those departments, respectively.

2. The Accountant-General will report whether any application is needed to the Government of India for an assignment to credit of Provincial Services on account of expenditure incurred by Public Works Officers on Salt Works.
