Rs A P

Maps containing 3000 sqr miles 7-8--

1 rupee additional for every additional thousand sqr miles. The nearest thousand to be taken as the area.

Sections

Sections of Maps published as they are ready, to be charged rateably.

Revenue Survey Office,
Chepauk,
2nd February 1875.

I have &c
(Signed) F.R.C.B. Priestley
Superintendent Rev: Survey.

Submitted to Government with reference to the Government Order quoted.

2. The Board are of opinion that it would be better to charge Rupees 10 all round for district Maps. This rate would nearly correspond to the charge which would be made according to average area on the proposed scale. Differential charges would not be understood by the public, and tend to confuse the accounts.
