To

The Under Secretary to the
Government of Madras
Revenue Department
Madras.

Reply to Memo. No. 60 dated 15th March 1875.

Enclosure
Maps

The undersigned has the honor to intimate, for the information of the Madras Government, that the taluqs of Rakapilly and Badra-challum were topographically surveyed on the scale of 1 mile = 1 Inch, by the Hyderabad Topographical Survey party, in 1865-66, and the fair maps were forwarded to the India Office for Lithography in 1864, but no copies have yet been received.

2. A photographed reduction, on the scale of 2 miles = 1 Inch is all that can at present be supplied and is herewith sent. It contains

tains all details given on the original 1 Inch Sheet
and will, it is hoped, be found useful.

3. Immediate application will be made to
the Geographical Department India Office, to hasten the
publication of the large scale (1 mile = 1 Inch) original Maps.

4. An Index map illustrating the progress
and state of publication of the Topographical Survey
in the States of Buxar and Jyepoor of the Central Pro-
vinces, and in the Tanjam and Virajapatam Agencies of
the Madras Presidency, is enclosed to show what sheets
are available. The whole series of maps of many years
survey have to be re-drawn for the purposes of Photo-
graphic reproduction.
