## MEMORANDUM

No. 7/4. 739

SURVEYOR GENERAL'S OFFICE,

Calcutta,

The 31<sup>st</sup> March 1875.

To

The Under Secretary to the  
Government of Madras  
Revenue Department  
Madras.

Reply to memo. No. 60 dated 15<sup>th</sup> March 1875.

Enclosure  
Maps

The undersigned has the honor to intimate, for the information of the Madras Government, that the taluqs of Rakapilly and Badra-challum were topographically surveyed on the scale of 1 mile = 1 Inch, by the Hyderabad Topographical Survey party, in 1865-66, and the fair maps were forwarded to the India Office for Lithography in 1864, but no copies have yet been received.

2. A photographed reduction, on the scale of 2 miles = 1 Inch is all that can at present be supplied and is herewith sent. It contains

2  
tains all details given on the original 1 Inch Sheets  
and will, it is hoped, be found useful.

3. Immediate application will be made to  
the Geographical Department, India Office, to hasten the  
publication of the large scale (1 mile = 1 Inch) original Maps.

4. An Index Map illustrating the progress  
and state of publication of the Topographical Survey  
in the States of Buxar and Jyepoor of the Central Pro-  
vinces, and in the Ganjam and Vizagapatam Agencies of  
the Madras Presidency, is enclosed to shew what sheets  
are available. The whole series of Maps of many years  
survey have to be re-drawn for the purposes of Photo-  
graphic reproduction.
