Sir

Portions of certain Service Inam lands in this District have been taken up in con-

Road from Gujipatinagaram to Perrotipore	structing and widening the roads noted in the margin.
" from Vizianagaram to Chapunapilli	As money compensations
" from Ramabhadrapuram to Pachipenter	cannot be paid to service
" from Vizagapatam to Vemalavasa	Inamholders it has been pro-
" from Vizagapatam to Arukapelli	posed to remunerate them

in lands. The grants proposed to be given
are portions of Jernipati lands belonging to
some of the Zemindars in whose Estates
those Service Inams are situated. They
have agreed to give their Jernipati lands
provided a similar extent of land be
given them from lapsed Inams already
transferred to them under G. O. N^o 543
dated 24th March 1871 communicated
in Board's Proceedings N^o 1635 dated 20th
April 1871. A statement showing parti-
culars of the lands taken up and of
those proposed to be given in lieu is
enclosed and I request that you will
be so good as to obtain sanction of the
Board to the transfer proposed. A
similar case was sanctioned in Board's
Miscellaneous Proceedings N^o 7063

Ag. Collector.

In lieu of Acres 14-7-3 assessed at
Rs 40-13-1, Inam land taken up for
public purposes, the Board sanction com-
pensation as follows:-

A fresh assignment of Acres 14-7-3
assessed at Rupees 40-13-1.

2. The lands proposed to be given
are in certain Zemindaries and in lieu of
these lands which the Zemindars concerned
are willing to give to the Inamdars
whose lands were taken up, the Collector
proposes to transfer to the Zemindars
certain lapsed Inams of equal extent
which

which have been already made over to the
Zemindar under G. O. dated 21 March 1871
N^o 543. The Collector's proposal is not
quite clear. If lapsed Sums have
been already made over to the Zemindars
on $\frac{2}{3}$ Assessment, the latter being added
to the Peishush, under the G. O. above
referred to, the Peishush alone can be
reduced by the amount of the Assess-
ment of the lands now given by the
Zemindars to the Sums, and no
specific lands can be made over. The
Collector is requested to explain and
submit a statement showing the amount
by which the Peishush has to be
reduced in the case of each Zemindar
on account of these lands and the
amount of Peishush payable by
each Zemindar in future after the reduction.

In

3. In submitting similar statements
in future the collector should state the
date on which the land was taken up
and when compensation was claimed.

The collector proposes certain reductions from

from the Peeshkush of the Zemindaries

noted in the margin on account of lands granted by them to certain village servants whose lands have been taken up for constructing and widening roads.

The Board recommend that sanction for the reduction be accorded.

In the Jamabundy accounts the sum charged on account of lapsed Inams does not appear under Peishkush. Probably it appears under Miscellaneous revenue in statement 5 under

Item 1. In future the amount should be shown under Peishkush.
