Fort Saint George, 12th April 1875.

To

THE Secretary to Government
Revenue Department. Fort St George.

SIR,

I have the honor to acknowledge receipt of G. O. No. 567, dated 9th April 1875, and, with reference to para 3 thereof, to point out that when I wrote to the Board of Revenue in August last, I was not aware that Private Goods and Bills of Exchange would require impressed and not adhesive Stamps. It was from a letter subsequently received from the Superintendent of Stamps that this Department became aware of the extent to which the new adhesive Stamps are to supersede the impressed Stamps— and it was upon this letter that Mr. Cooke made his Estimate of the strength of Establishment required for Stamping Private Goods &c. Under these circumstances
