Accounts—Treasury.

Read the following papers:—

- No. 111. From R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 21st January 1875, No. 573:—

Resource Department.

With reference to G.O., Financial Department, No. 39, dated 11th instant, I have the honor to observe that the rules in force in this Presidency, regulating the pecuniary responsibilities of Collectors and Treasury Deputy Collectors with respect to the Treasuries under their control appear to me in every way suitable and in no respect to require revision. They are laid down in detail in the Accountant-General's Manual and the Standing Orders of the Board of Revenue of which a brief *resumé* will be found in the G.O., Financial Department, No. 1910, dated 7th November last.

2. I take this opportunity, however, of observing that if all the treasury bags were made of strong net as would seem to be the case in some places in Bengal from the last clause of the Rules of the Government of North-Western Provinces, the work of Counting Treasuries would be greatly facilitated, and the possibility of perpetrating fraud altogether done away with.

- No. 112. Proceedings of Government in the Revenue Department, dated

ABSTRACT.—Communicating to the Financial Department Proceedings, Board of Revenue, intimating that there is no objection to the rules respecting the duties and responsibilities of Treasury Officers being declared applicable to this Presidency.

- No. 113. ORDER THEREON, 9th April 1875, No. 798.

Ordered that copies of the papers above recorded, together with copy of G.O., Revenue Department, dated 14th October 1874, No. 1320, be transmitted to the Government of India.

2. The Accountant-General will be instructed to obtain from the North-Western Provinces a sample bag made of net, and submit it, through the Board of Revenue, to Government.
