SIR,—In continuation of my letter, dated 12th April 1875, No. 577, reporting the steps taken in this Presidency to encourage the fish-curing industry by supplying salt at a price much below the monopoly price, I am directed to request the sanction of the Government of India for a special grant of Rs. 5,000 to Provincial Services to meet the cost of the additional Police Guards needed to carry out the experiment; the charge being entirely a *fresh* charge, for which there is no provision in the Provincial Services Budget for 1875-76, and which it is not found practicable to meet from savings in the Salt grants of the year.
