G.O. No.	861	Press
B.P. No.		Mis.
Dated 26-5-		1961875

Not to be folded or roughly handled

No. 262. Read the following Proceedings of the Board of Revenue, dated 4th May 1875, No. 1,156:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 17th April 1875, No. 202.

I HAVE the honor to enclose the plan of a bungalow designed to meet the conditions laid down in the Board's Miscellaneous Proceedings, No. 2,621, dated the 2nd of April.

2. If the plan is approved, I shall feel greatly obliged if the Board will be good enough to allow me to purchase the materials and begin the work at once. At this season of the year when the weather is settled, bricks, tiles, chunam, &c., can be obtained in abundance in this neighbourhood and at moderate prices; after the end of June, when the weather begins to be unsettled, materials such as these are less abundant here, and are chiefly in the hands of speculators, who, of course, are not willing to accept such prices as in the dry season satisfy the brick-makers or lime-burners. We can build at less cost in the dry season than at other seasons of the year, as the work proceeds with greater regularity. And as at this season of the year there is but little field-work going forward, we can more closely superintend any building operations. I mention these matters because it will be necessary to act with caution and exercise great economy, in order to allow of the accommodation needed for Mr. Benson being provided for the sum mentioned by the Board.

ENCLOSURE No. 1.—Plan.

THE accommodation appears to be sufficient, and the plan is approved, with the exception that it is not clear that provision has been made for bath-rooms.

2. Mr. Robertson is authorised to collect the necessary materials at once as suggested. As there is no provision for the work in the current year's Budget, the sanction of Government is requested for incurring an expenditure of Rs. 3,000 in the construction of a bungalow for the Assistant Superintendent from the Surplus Pound Fund.
