The Secretary of Government

Sir,
With reference to the Proceedings
of Government dated 9th April
No. 564 para 3, I beg to state that
I at once wrote to the Agent of
the Mangalore Mission, but he informs me that he
had only 30 copies left of my
Paleography which he has for-
warded by B.S. Steamer.

I regret my inability to
comply with the order of Government,
but the edition of my book was
small, & all the copies were taken
off my hands by three firms in
India & Europe before publication.

I have to thank you,
Sir
Your most obed^t serv^t
