Sir

With reference to Government Order No. 543 dated 13th May 1869 and Government Order dated 15th December 1869 No. 1716, I have the honor to request that you will be good enough to obtain the Special sanction of Government for the transfer to the Tuticorin Municipality of certain waste lands and lands registered as Gramanattum.

2. The lands in question are for the most part swamp, & in their present state quite useless, but rather a great nuisance. The surface of the land is in many parts below sea level so that they cannot be drained, in the wet season, the water lodges and causes ~~bad~~ smells detrimental to health. The Commissioners propose filling up these swamps and selling the land thus reclaimed

blocks for the construction of houses.

The accompanying plan will show the land required and its nature.
