MADRAS RECORD OFFICE

GOVERNMENT OF MADRAS

Revenue DEPARTMENT

G.O. No. / B.P. No.	809	Press / Mis.
Dated	26.5-	1961 87.5

Not to be folded or roughly handled

No. 278. Read the following Proceedings of the Board of Revenue, dated 8th May 1875, No. 1,199 :—

Read Statement of Remuneration in Land, &c., in the District of Nellore, dated 18th November 1874, No. 2,750.

Inam lands to the extent of Acres 24·36, assessed at Rupees 88-11-2, were taken up for the works noted in the margin, and further 44 acres of land were rendered unfit for cultivation owing to obstruction of water-communication by the construction of the Survapully Channel.

	Area.	Assessment. Rs. A. P.
For Survapally Channel.	17·76	66 7 5
,, Side and Branch Channel	1· 9	5 15 11
,, Golgamudi Channel.	5·51	16 3 10
Total...	24·36	88 11 2

2. The Collector proposes money-compensation, amounting to Rupees 1,210-9-4, as shown below :—

	Rs. A. P.
(1.) Price of the lands taken up	502 11 10
(2.) Compensation for loss of produce on lands deprived of water-communication	770 0 0
(3.) Amount of assessment due to Inamdars for past years	422 12 6
Total...	1,695 8 4
Deduct arrears of quit-rent	484 15 0
Balance payable to Inamdars...	1,210 9 4

3. The reason assigned for allowing a higher rate for the lands taken up for the Survapully Channel is not quite satisfactory, as loss of produce should have been separately allowed for. The rates, however, are on the whole reasonable, and the Board accordingly request the sanction of Government for the payment of money-compensation of Rupees 1,210-9-4 from the Irrigation Budget. The proposed reduction of quit-rent, Rupees 88-11-2, is sanctioned from Fasli 1284. The arrears of quit-rent (Rupees 484-15-0) should be included under Irrecoverable in the next Jamabandy Report.

4. Arrangements for restoring flow of water to the lands should be made with as little delay as possible to avoid further claims for loss of produce, and it is requested that the necessary orders may be issued in the Public Works Department.
