No. 171. Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Palmanair, 16th December 1874, No. 89:—

In their order in the Military Department, dated 29th June 1874, No. 2,029, the Government direct that the ground required at Vellore for the hutting of the families of Native Corps on foreign service should be acquired by purchase and made over to the Military authorities to be included in Cantonment limits.

2. The ryots, however, to whom the lands belong are very unwilling to give them up, stating that these lands are the only good lands in the place available for building purposes, and in consequence demand Rs. 200 a cawny or about Rs. 2,000 for the whole plot. Besides this, compensation estimated at Rs. 630-0-3 would have to be given for three walls, two houses, a wall, etc., situated on the lands.

3. The Tahsildar first offered them Rs. 60 a cawny, which, he thinks, is the market value of the land. This would amount, in round numbers, to Rs. 600. He then proposed that twenty-five times the assessment, or Rs. 874, should be paid, but to neither of these proposals would the ryots consent.

4. I would beg, therefore, respectfully to recommend that recourse be had to Act X. of 1870 for the acquisition of the land. The ryots themselves suggest that this course should be adopted, as they are apparently confident that they will get what they now demand. I have the honor accordingly to enclose, for approval and publication in the *Fort St. George Gazette*, a draft declaration containing the boundaries, etc., of the land required for the hutting of families of Native Corps at Vellore. I beg, at the same time, that the Government will be pleased to authorise the Sub-Collector for the time being to take order for the acquisition of the land.
