*Proceedings of the Madras Government, Revenue Department,
28th May 1875.*

No. 326. Read the following Proceedings of the Board of Revenue, dated 12th May 1875, No. 1,244 :—

Read the following letter from W. R. ROBERTSON, Esq., M.B.A.C., Superintendent of Government Farms, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 29th April 1875, No. 220 :—

WITH reference to G. O., No. 437, dated 17th March 1875, I have the honor to submit proposals for creating an establishment for working the Coimbatore District Farm. The monthly cost of this establishment would, during the first year, be Rupees 366.

2. The house allowance to the Superintendent and Overseer would, of course, cease on free quarters being provided for these officers.

3. The pay of the Overseer should, I think, commence at Rupees 30 per mensem (with free quarters) to be augmented by Rupees 5 annually until a maximum of Rupees 75 per mensem is attained, in accordance with the terms under which the Sydapet Farms' Overseers are employed—*Vide* G. O., No. 1,456, dated 18th December 1873.

4. Apprentice Ponnoo Rungum, a Hindu youth, who has been about 3½ years in the Sydapet Apprentices' Class, would, I think, make an excellent Overseer. He is active, intelligent, possesses a good constitution, and is willing to go to Coimbatore.

5. The maximum pay of the Clerk should, I think, be Rupees 30, to be given after two years' service that is Rupees 25 per mensem after the first year, and Rupees 30 per mensem after the second year. This, I think, is necessary to secure the services of a man competent to carry on the office work which will be somewhat heavy, as so many statements, &c., must be prepared and transmitted to the central office here, where all the chief records will be kept.

6. The annual increments in the salaries, proposed in the foregoing paragraphs, should, I think, only take effect in the event of the conduct of the officers concerned being satisfactory.
