*Proceedings of the Madras Government, Revenue Department,
31st May 1875.*

No. 356. Read the following Proceeding of the Board of Revenue, dated 15th May 1875, No. 1,302 :—

Read the following letters :—

Read again, letter, dated 20th February 1874, No. 86, recorded in Board's Proceedings, dated 11th April 1874, Miscellaneous No. 2,428.

Read also the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Punganur, 19th June 1874, No. 327 :—

ADVERTING to the Proceedings of the Board of Revenue, No. 2,428, dated 11th April last, I have the honor to state that the Tahsildar of the Chittoor Taluq reports in his Arzi, No. 205, dated 3rd instant, that the delay in submitting the claim for compensation in question was owing to the statements having been very often returned to the taluq from this office for want of requisite information on the subject, and to a very large number of similar cases having to be inquired into and reported on at the same time. The irregular attendance of the parties concerned appears to be another cause for the delay. A change of the Tahsildars of the taluq during the interval fixes the responsibility upon none.

2. No compensation on account of past year's assessment was recommended, as the parties did not appear to have much pressed on the point, the lands having been taken up long ago, and as in several cases where no such compensation was allowed, the parties concerned were not dissatisfied. Besides, an enormous amount will have to be paid if, in all these old cases lately submitted for sanction, compensation on account of past year's assessment were to be disbursed. Moreover, the Inamdars are, to a certain extent, benefited by deducting the *Tuam* assessment of the Inams lost from the existing quit-rent instead of the *proportionate quit-rent*.

—

From the same Officer, dated Palmanair 26th November 1874, No. 621.

ADVERTING to your Official Memorandum, dated 24th August 1874, No. 1,330, I have the honor to report that it appears from the Chittoor Tahsildar's Arzi, dated 31st October last, No. 473, that in only one of the two cases, therein referred to, the claim for the compensation in question was made by the Shrotriem Inamdar in the year 1870; but in the other, the Moniem Inamdar has made no claim for compensation.

—

In lieu of 68 cents., assessed at Rupees 4-9-10, Inam and Shrotriem lands taken up for local road in the Naraganti Polliem, the Collector recommends compensation as follows :—

- (1.) A fresh assignment of 41 cents. assessed at Rupees 1-5-10.
- (2.) Reduction of quit-rent, Rupees 3-4-0, payable to the Poligar.

2. The land taken up and that proposed to be given in exchange are in the Naraganti Polliem.

The Poligar's peishcush (Rupees 6,579-1-2) has therefore to be reduced both on account of this land, and on account of the reduction in the quit-rent payable to him. The Board request the sanction of Government for the peishcush payable by the

Poligar to be reduced by Rupees 4-9-10 from Fasli 1284. The future peishcush will be Rupees 6,574-7-4.

The lands were taken up in 1859. In one case (Shrotriem), compensation was claimed within twelve years, *i.e.*, in 1870. In the other, no claim was preferred till 1874, but it is a Government Service Inam, and fresh land must be granted. In both the cases no compensation for past years is claimed.
