Proceedings of the Madras Government, Revenue Department,
31st May 1875.

No. 360. Read the following Proceedings of the Board of Revenue, dated 18th May 1875, No. 1,350 :—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Shembaganur, 21st April 1875, No. 170 :—

WITH reference to the Board's endorsement, Miscellaneous No. 2,757, dated 8th April 1875, on G. O., dated 18th March 1875, No. 764, Public Works Department, I have the honor to report that the bungalow should, in my opinion, be built at Cumbum, Goodalur being much less eligible than Cumbum as a halting place on considerations of health and supplies of food and carriage. With regard to distance, Cumbum is thirty-four miles from the nearest travellers' bungalow at Periacolum on this side. This stage is quite long enough, and I do not see the advantage of putting the bungalow nearer the ghaut even on considerations of distance. The ghaut itself is nothing, and it is better for travellers to get through the unhealthy country and reach a place where they can get what they may require before they halt. All the time Mr. Greer was on the hills Cumbum was his base of operations, whence he drew supplies, &c.

SUBMITTED to Government with reference to G. O., dated 1st April 1875, No. 628.

2 The Board concur with the Collector that Cumbum is the better site.
