Proceedings of the Madras Government, Revenue Department
31st May 1875.

No. 370. Read the following Proceedings of the Board of Revenue, dated 19th May 1875, No. 1,367:—

Read the following letter from J. HUNTER-BLAIR, Esq, Collector of Madras, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 3rd April 1875, No. 104.

In forwarding copies of the correspondence marginally noted, I have the honor to inform the Board of Revenue that the work in the Deputy Collector's office has increased very heavily, thereby causing accumulation of arrears and the disorder in records referred to in the letters marginally quoted.

Letter from Deputy Collector, dated 26th October 1874, No 1,602.
Official Memorandum to Deputy Collector, dated 12th November 1874, No. 1,021.
Letter from Deputy Collector, dated 12th December 1874, No 1,965.
Letter from do, dated 8th January 1875, No. 2,091.
Official Memorandum to Deputy Collector, dated 14th January 1875, No. 38.
Letter from Deputy Collector, dated 22nd January 1875, No 2,156.
Letter from do, dated 17th April 1875, No. 94.

2. The late Deputy Collector asked for two Clerks on 15 Rupees each, and one Attender on 8 Rupees, to be employed for three months to docket the papers in arrears, and put them in order.

3. The present Deputy Collector asks, in addition to the above, for permission to entertain permanently a clerk on Rupees 30, and an Attender on Rupees 8, to attend to petition work.

4. The establishment allotted to the Deputy Collector consists of one Head Clerk on Rupees 50, two Clerks, one on Rupees 20, and the other on Rupees 15, and a Record-keeper on Rupees 25, besides two Attenders and four peons. This establishment is undoubtedly insufficient, and I have no hesitation in supporting the Deputy Collector's request for a permanent addition. The present establish-

ment is the same numerically as that of a Deputy Collector on general duties in charge of a division in the Mofussil, while there is no doubt that the duties of the Deputy Collector of the town of Madras are much more onerous, and involve heavy English correspondence.

5. I do not, however, think that an Attender is required permanently, and therefore request sanction for the following addition to the establishment:—

Permanent Addition.

1 Clerk for petition and other duties on Rupees 30.

Temporary Establishment for three Months.

2 Clerks each on	RS.
1 Attender on	15
	8

I fix the salary of the permanent Petition Clerk at Rupees 30, as there is no such grade now between the Head Clerk on Rupees 50 and Record-keeper on Rupees 25, and it is desirable to have a graduated scale of establishment.

ENCLOSURES Nos. 1 to 7.—Copies of Correspondence.

For 2 Clerks on 15 Rupees each and one attender

*Proceedings of the Madras Government, Revenue Department,
31st May 1875.*

THE Board resolve to request the sanction of Government for the establishment, temporarily for three months, of two Clerks on Rupees 15 each to bring up arrears.

2. But before disposing of the application for a permanent addition to the establishment, they desire to be informed as to the cause of the enormous increase, amounting to 100 per cent. in letters and petitions since 1872. They are unable to assign any cause for such increase, and fear there must be some mismanagement. Full details should be given.

To,

The Collector of Chandra,

Sir,

Adverting to this office letter, No. 2156, of the 22nd January last, I have the honor to request that you will be pleased to obtain an early sanction for the intertainment of the Establishment therein, referred to, as disorder in the current records is increasing every day.

In the letter above referred to, it was stated that no letters remain undocketed. The Clerk who gave the above information states that what he meant by it was that the fair copies of the letters were all docketed. For I find that not a single letter on the record has been docketed. There are but 3 clerks forming my Mogera Establishment, and considering the mass of work that passes through this office. You will agree with me in the opinion that the Establishment is quite unequal to the enormous work

To
The Collector of Chauras,

Sir,

In reply to your docket of 14 instant
Ch^y 38, I have the honor to state that none
of the letters and petitions of last year remain
either unregistered, undocketed or impurported,
but owing to great increase in correspondence
the three clerks of the Nazim Department
were unable to keep the papers according to
the bundle system, Departmental war and
Suljichair and at the close of each week to
transfer them to the Record-keeper as
prescribed in Board's Standing order, Ch^y 32.

The current records cannot be kept in proper
order unless the establishment is sanctioned -

2. In reply to para 2 of your Memo under
reply, I beg to state that the attendance is required

work which the writers may not have

3. The records of many cases that I have
referred to the Court remain yet to be
transmitted to it, as I am unable to have
them copied arranged, and made lists of.

4. The unprecedented increase of work in
this year, a list of which I have already
