Proceedings of the Madras Government, Revenue Department,
4th June 1875.

No. 34 Read the following Proceedings of the Board of Revenue, dated 22nd May 1875, No. 1,40. —

Read the following letter from R. P. PUCKLE, Esq., Acting Third Member of the Board of Revenue, in charge of the Settlement Department, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Tiruvatiyur, 12th May 1875, No. 948-27:—

In my report on the Mirassi tenure of Chingleput I suggested that the disposal of darkhasts should be set aside until the settlement of the district is made. The Board in Proceedings No. 331, dated 13th February 1875, endorsed this application, but the Government, in passing orders, did not allude to the subject. I have, therefore, the honor to suggest that further application be made to Government for authority to set aside the disposal of darkhasts until the settlement of each taluq is completed. I consider this to be very essential in the interests of the Mirassidars, who are now in earnest in their endeavors to clear up the confused tenure of lands in their villages. The disposal of darkhasts hereafter will be very greatly facilitated by the registers, maps, and other records now under preparation.

SUBMITTED for the sanction of Government with reference to paragraph 16 of Board's Proceedings, dated 13th February 1875, No. 331, disposed of in G.O., dated 13th April 1875, No. 590.

Sir,
In my report on the Mirassai tenure
of Chingleput, I suggested that the disposal
of durkhasts should be set aside until the
settlement of the District is made. The Board
in Proceedings N^o 331 dated 13 February 1875
endorsed this application, but the Govern-
ment in passing orders did not allude to
the subject. I have therefore the honor to
suggest that further application be made
to Government for authority to set aside

the disposal of ourkhasts until the settlement
of each Taluq is completed. I consider this to
be very essential in the interests of the Princi-
pals who are now in earnest in their endeavors
to clear up the confused tenure of lands in
their villages. The disposal of ourkhasts hereafter
will be very greatly facilitated by the registers,
