In the Board's Proceedings, dated 26th January 1875, No. 589, Collectors were called upon to report the amount which will be required in each district in 1875-76 for the payment of advances under the Land Improvement Act. The letters above recorded are the replies.

2. The total sum required for the Presidency as estimated by the Collectors amounts to Rupees 1,57,000. The Collector of Nellore does not want any allotment for his district, the Collector of Chingleput is unable to name a sum for the district, and the Commissioner of Nilgiris is of opinion that no advances are likely to be made under the Act.

3. The provisions of the Act are not as yet well known to the public at large, and it is possible that in course of time larger amounts may be necessary.
