No. 182. Read the following Proceedings of the Board of Revenue, dated 15th December 1874, No. 3,620 :—

Read again letter from the Collector of North Arcot, dated 26th January 1874, recorded in Board's Proceedings, dated 24th February 1874, Miscellaneous No. 1,299.

Read also the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Palmanair, 5th October 1874, No. 520 :—

WITH reference to the Board's Proceedings, Miscellaneous No. 1,299, dated 24th February last, I have the honor to state that it appears from the Chittoor Tahsildar's arzis, noted in the margin, that the trustees of the pagodas of Iruvaram and Kattamanchi in the above taluqs consent either to the entire resumption of cash payments of their tasdik in lieu of the assessment of the lands already assigned to them, or to receive from Government treasury only the amount which forms the assessment of the Dasabundum lands in question.

No. 291, dated 22nd July 1874.
,, 353, dated 22nd August 1874.

2. I think, for the sake of convenience, it would be better to pay the whole amount of tasdik to the trustees of these two pagodas out of the Government treasury, and resume the lands already assigned.

SUBMITTED for the orders of Government.

2. Recently, in assigning lands in lieu of ready-money allowances granted to the pagodas noted in the margin, certain lands bearing an assessment of Rupees 87-6-0 and irrigated under Dasabundum works were allotted along with other lands, about which there is no dispute. The holders of the Dasabundum works, who are entitled to $\frac{1}{4}$th assessment on the lands irrigated under their works, object to the allotment, as the amount payable to them was by mistake not taken into calculation when the allotment was made. The Collector, therefore, recommends that the allotment of the Dasabundum lands should be cancelled, and that certain other lands should be allotted in lieu; the owners of the latter do not, however, agree to the assignment or to revert to ready-money payment. The Board recommend that the allotment may be cancelled, and that a ready-money payment of Rupees 87-6-0 may be made from Fasli 1284. The Inamdars have no objection to this arrangement.

Nageswaraswami of Iruvaram.
Kolandeswaraswami of Kattamanchi.

3. The Collector does not explain when the allotment of the Dasabundum lands in question was made, and how he proposes to dispose of claims for past years. He will report on the subject.

PROCEEDINGS OF THE BOARD OF REVENUE,

No. 44. Read the following

To,

J. Grose Esquire
Secretary to the Board of Revenue
Madras

Sir,

In assigning lands in lieu of ready money allowances granted to the Pagodas noted in the margin in the Chittoor Taluk, certain Dussabandam Inams were included as per enclosed statement.

2. The Dussabandamdars object that by the assignment of the lands to the Pagoda, they were subject to the loss of Chowtayi or 1/4th of the assessment

× Nageswaraswamie of Swarnamukhi
Kailasa Iswaraswamie of Kailasagiri

which was granted to them as Dussa-
-bandam Inam.

3. The Tahsildar has therefore selected other lands the particulars of which are shown in the above statement in lieu of the Dussabandam Inams, and I have the honor to request that the Board will be pleased to accord their sanction to the exchange of lands recommended by the Tahsildar.

4. It will be seen that the extent and assessment of the lands now selected differ from those of the Dussabandam lands. Although there is a considerable difference in the extent the assessment in both cases exceeds the former grant by Rupees — a-7.

5. The Tahsildar expresses his inability to find lands equal in extent and assessment to the former grant.

6. The new lands have all been selected

selected from Ryots holdings and although some of the Ryots object to the assignment of their lands to the Pagodas in question, their consent is I think immaterial.

The Board are not willing to sanction the proposed assignment of land revenue as all the land holders do not consent to the arrangement and further assignments in commutation of such allowances have been forbidden. The Collector is requested to report whether the Pagoda Inamdars would consent to the resumption of cash payments of their tasdik from the Government Treasury in lieu of the assessment on the lands already assigned to them. If they do not

agree

agree to this, the best course will be to continue the arrangement already made and to compensate the Dhasabandhandars by granting a remission annually in their favour on other Dasabandam lands of a sum equal in amount to that lost by them in consequence of the assignment of the full assessment of the Dasabandham lands now in question.
