No. 506. ORDER THEREON, 19th April 1875, No. 1,106.

IRRIGATION, No. 60.

THE important question raised by the claim made by the proprietor of the village of Chedipi for compensation because he was prevented from cultivating some ground in the bed of the Godavery, (such cultivation involving the clearing away of nanel which had been planted to prevent further damage by erosion that had resulted in the undermining and breaching of the flood embankments,) is one which His Excellency the Governor in Council considers should be reported on by the Board of Revenue in communication with the Advocate General; and the papers will be sent to the Board for that purpose.
