The Collector's proposal to divide the Malikhana equally was approved in the Board's Proceedings dated 23rd April 1875 N^o 3323 but the fact that the allowance had not been paid for more than two years owing to the dispute between the recipients was overlooked. The sanction of Government is now requested for the disbursement of the instalments in arrears.

Miscellaneous N^o 2038.

Proceedings of the Board of Revenue
Dated 12 March 1875.

Read the following

N^o 45.

From: A. Mac Gregor Esq.
Collector of Malabar.

To: R. C. Stokes Esq.
Acting Secretary to the
Board of Revenue, Madras.

Sir,

A Malikhana allowance of Rs 2057-2-4 is annually paid in 4 instalments to the Parapana Vellu Pudia Kovilagam on pro-
ducing a receipt in the joint names of the

1. Parapana Vellu
Pudia Kovilagam marginally noted individuals. For the last
2 1/2 years this allowance has not been paid on
account of disputes between them, and the
amount consisting of 9 instalments is
retained in the Treasury.

2. The circumstances of the case are as follow

follow.

For the first 3 instalments no receipt was sent at the time and the money was retained in the Treasury. Subsequently N^o 2 petitioned the Collector on the 15 August 1873 to the effect that the two individuals noted are in inimical terms; that the Malikhana should not be paid according to the request of N^o 1; that the allowance should not be paid at all unless a Vakeel in the Petitioner's behalf presents himself as the Agent who used to present the receipt and receive charge of the money was gained over by N^o 1 and contemplates making away with the amount fraudulently.

These individuals are adopted members of the Parapanad Kovilgom, their permanent place of residence being Navalikarai in Travancore.

Several correspondence passed on the subject with a view to get the dispute amicably settled, but it was of no avail.

N^o 1.

907/6

N^o 1 requests that a partition be made in the annual allowance giving Rs 400 to N^o 2 and the remainder Rs 1657-2-4 to himself.

The Valia Ramee requests on the other hand that the Malikhana allowance be divided among the disputants equally alleging that the grant is due to her alone and it was at her desire that the Valia Rajah came to put his signature also to the receipt but that she is content to receive half the amount to the Valia Rajah in consideration of the right acquired by him by signing the receipt for some years, as she is greatly inconvenienced by the annual receipt of the allowance for so long a period, and as no other means are left for speedy settlement of the dispute.

3. There is no reason to allot to the Valia Ramee no more than $\frac{1}{3}$ according to the Rajah's proposal and as hitherto the receipt has borne the

the signatures of both the parties, they must be considered to have equal claims to the grant.

4 I have the honor to request therefore that sanction may be obtained to divide the Malikkhana equally among them.
