OFFICIAL MEMORANDUM.

REFERENCE.—Board's Proceedings, No. 133/3,192, dated 20th April, and G. O., No. 819, dated 21st April 1875.

The Officiating Inspector of Forests has the honor to forward copy of a letter which he has addressed to the Inspector-General of Ordnance and Magazines, from which it will be observed that the teak-timber required by the Ordnance Department cannot after all be supplied at once of the dimensions required.

OOTACAMUND,
22nd May 1875.

(Signed) C. WALKER, Captain,
Officiating Inspector of Forests.

To the Secretary to Government, Revenue Department, through the Board of Revenue.

ENCLOSURE No. 1.

From Captain C. WALKER, Officiating Inspector of Forests, to the Inspector-General of Ordnance and Magazines, Fort St. George, dated Ootacamund, 22nd May 1875, No. 141.

With reference to your letter, No. 301, dated 21st April 1875, I have the honor to forward the enclosed copy of a letter from the Inspector of Forests, Ootacamund, which would appear that the teak-timber of the soundings you require cannot after all be supplied at once, and that the rate of sawn timber would be Rupees 100 per ton of 50 cubic feet in the Coimbatore timber-yard.

2. I would call your attention to the suggestion contained in paragraph 7 of Mr. Douglas's letter, which appears to me sensible, and likely to suit your views.

3. I regret exceedingly that I should have misled you by my former letter as to our being able to supply, the fact being that the quantity is available, but not of the dimensions you require; and, under the existing organisation of the Forest Department, I never know what stock we have in our several depots, and obtaining accurate information through the Collectors is a difficult and tedious process. I have little doubt that we could supply all your requirements at prices which would compare favorably with those for Burmah timber if the annual demand were known and the system of preparation and supply properly organised.

4. I forward a copy of this letter to Government through the Revenue Board with reference to G. O., No. 819, dated 21st April 1875.

Submitted for information of Government.

2. With reference to paragraph 3 of the letter of the Inspector, the Government wish to be informed whether the arrangements for ascertaining the particulars of stock formerly made by the Conservator of Forests are still maintained.
