*Proceedings of the Madras Government, Revenue Department,
15th January 1875.*

No. 188. Read the following Proceedings of the Board of Revenue, dated 19th December 1874, No. 3,691 :—

Read the following letters :—

From H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 11th December 1873, No. 512.

I HAVE the honor to solicit the Board's orders on the following case :—

2. A Religious Service Inam in the village of Vadakylasam, Cuddalore Taluq, having been taken up for the Carnatic Railway, the Inamdar has selected Cawnies 1-4-2 of Ain land in the holding of one Muthusawmi Naik to be granted as Maniem in lieu thereof. The latter objects and represents that a portion of his small holding has already been assigned as Taliary Maniem, and begs to be permitted to hold what is left directly under Government.

3. Although the grant of Ain land as Maniem is nominally a mere transfer of the right of Government to the Maniemdar to collect the revenue and does not carry with it any change in the ownership of the soil, yet it virtually entails great hardship on the Puttadar who is thereby deprived of the indulgence of remission in adverse seasons; and an instance recently came under my notice where the Maniemdar refused to allow a ryot to relinquish a portion of his holding which he found it unprofitable to cultivate, because it formed a part of the Maniem.

4. Under these circumstances, I beg to be informed whether in the case under reference, a ready-money grant may be allowed to the Inamdar whose land has been taken up for the Railway in preference to assigning the assessment of other Ryotwari land.

From J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 15th July 1874, No. 355.

In reply to the Board's official memorandum, dated 19th December last, No. 1,974, I have the honor to state that the Inam land, Cawnies 1-4-2, taken up for the Railway in the limits of Vadakylasam was a portion of dry land, Cawnies 8-13-1 assessed at Rupees 33-14-5, assigned originally as Musjid Inam to one Abdul Karim Shâ; and that this Inam was not granted in commutation of any Tusedic payment. The land is now enjoyed by the original grantee's grandson, Jarferly Shâ.

From the same officer, dated Cuddalore, 9th October 1874, No. 525.

With reference to the Board's official memorandum No. 1,274, dated 15th August last, I have the honor to state that, as now reported by the Railway Deputy-Collector, the actual extent of Inam land taken up for the Railway is Cawnies 2-0-2 assessed at Rupees 7-8-0, and not Cawnies 1-4-2 as previously reported. This extent of Cawnies 2-0-2 is a portion of the dry Cawnies 8-13-1, referred to in my letter of 15th July last, No. 355.

*Proceedings of the Madras Government, Revenue Department,
15th January 1875.*

SUBMITTED for the orders of Government.

2. A portion of a Mosque Inam, viz., Cawnies 2-0-2 assessed at Rupees 7-8-0, in the Cuddalore Taluq was taken up for the Carnatic Railway. The Inamdar selected a certain piece of putta land to be granted as Inam in lieu of the land taken up, but the Puttadar is unwilling to have its assessment assigned to the Mosque. Although the right of Government to assign their revenue is undoubted, still, as the assignment would be a hardship to the Puttadar inasmuch as it would deprive him of the advantage of remissions in adverse seasons, the Collector suggests that an annual ready-money grant equal to the assessment of the land taken up may be allowed to the Inamdar.

3. The Board would certainly prefer the allowance of a ready-money grant; but should it be objected to on the ground that it is opposed to the policy of reducing direct payments to Pagodas and religious endowments, the Collector should be directed to revise the assessment of the land prior to the transfer, so as to counter-balance the disadvantage of the Puttadar not receiving remissions, as laid down in the Government Order quoted in Board's Standing Order No. 188. In this case more land will have to be given.
