Municipal-Reports.

Read file of Municipal Reports for 1873-74.

No. 135. ORDER THEREON, 12th April 1875, No. 824.

In the year under report the Towns Improvement Act III. of 1871 was in force in forty-seven towns, the new Municipality of Chellumbrum having been established in the course of the year in the town of that name, with a population of 15,519, in the District of South Arcot. On the other hand the Municipality of Palcondah, in Vizagapatam, was abolished from the end of the year and the consorciacy of the town thrown on the Local Fund Board who retained the tolls from which the bulk of the Municipal revenue had been obtained. The population of this town is only 8,812, and owing to a variety of causes the working of the Municipality had never been satisfactory.

2. The subjoined Statement shows the population, and incidence of taxation per head of the population, in each Municipality :—

3. The variations between the statement above given and the corresponding statement in the order reviewing the Reports for 1872-73 are so slight, as a rule, as to call for no remark, but with reference to the incidence of taxation in the hill station of Ootacamund having risen from Rupees 1-10-0 to Rupees 1-15-2 it is observed that there was no increase in the rate or number of the taxes, so that the rise in the incidence may be fairly attributed to the improved circumstances of that sanitarium.

4. The total Municipal revenue from all sources, and the expenditure on the more important objects of the Act, are shown in the Statement given below:—

5. It thus appears that, excluding the opening balance, there was an increase of revenue of only Rupees 7,506, of which Rupees 2,927 were due to the establishment of a new Municipality, and Rupees 4,505 to recoveries. The contributions from Provincial and Special Funds fell from Rupees 31,006 to Rupees 24,564, but on the other hand the contributions from Local Funds under Act IV. of 1871 rose from Rupees 40,614 to Rupees 55,367, the net result being a falling off of Rupees 8,237 in the *bona fide* Municipal income of the Municipalities which existed in the preceding year, a falling off which is more than accounted for by the decrease of

Rupees 28,277 under "Tax on Arts, &c.," which is attributed in many of the annual reports to the declared intention of the Government to do away with the tax in the year 1874-75 having led in some cases to the misapprehension that its levy was to be put a stop to at once. The total amount derived from current taxes fell short of the amount realized in the preceding year by Rupees 4,715, or Rupees 7,590 if the new Municipality of Chellumbrum be excluded from consideration.

6. The Government allotment of Rupees 24,564 was composed of half the Surplus Pound Funds realized within Municipal limits, and a few contributions in aid of particular works, or charities administered by the Municipal Boards. The contributions from Local Funds were, as last year, chiefly in aid of Hospitals and Dispensaries.

7. The income from sources other than taxation and contributions rose from Rupees 1,51,925 to Rupees 1,74,100. An idea of the nature of the Miscellaneous revenue of Municipalities may be gathered from the subjoined Statement which gives details for four of the more important towns:—

8. The total Municipal expenditure for the year amounted to Rupees 11,75,399 against an income of Rupees 11,20,442, the balance with which the year commenced having thus been drawn on to the extent of Rupees 54,957. The outlay on permanent improvements was Rupees 2,63,202, or 19.45 per cent. of the total sum available for expenditure. Among the more important works may be mentioned the Market at Bellary which was completed during the year at a total cost of Rupees 14,250. Considerable sums were also spent on Markets at Cuddapah, Tanjore, Mangalore and elsewhere, and in most cases portions of the buildings were brought into use as completed. At Trichinopoly, Rupees 11,353 were expended on the Moat Reclamation scheme and Rupees 12,825 on a Dispensary building, while in the neighbouring town of Srirungum a Dispensary was built at a cost of Rupees 9,381, to which additional wards are being attached in the current year. At Tuticorin an outlay of Rupees 9,381 sufficed for the construction of a Water-supply Channel by which water is brought within easy reach of half the

8. The total Municipal expenditure for the year amounted to Rupees 11,75,399 against an income of Rupees 11,20,442, the balance with which the year commenced having thus been drawn on to the extent of Rupees 54,957. houses in the town which has hitherto been unusually badly off in that respect. At Nellore a commencement was made with a Water-supply project with an outlay of Rupees 3,231. The minor new works were chiefly roads and streets, latrines and drains. No large drainage works were in progress during the year, but the Commissioners of the larger Municipalities, such as Madura, Tanjore, Trichinopoly, and Vellore, have lately given the subject their serious consideration, and in some cases establishments have been employed on preliminary survey operations. Great difficulties exist, however, in the way both of the planning and the execution of works of such magnitude, and even though recourse be had to loans, the Government fear that it will be impossible to carry out satisfactory drainage schemes without a severe strain on the financial resources of the Municipalities concerned.

9. The expenditure on Education rose during the year from Rupees 45,024 to Rupees 61,390, but it is only in the case of a few Municipalities that the operations under this head can be said to have approached full development. The expenditure

on education exceeded 10 per cent. of the Municipal Funds in four* Municipalities only, and in twenty-nine it was less than

5 per cent. As a rule, aid from Municipal Funds is, under the instructions of Government, confined to lower education only.

10. The marginal statement shows the attendance at a few of the most popular

Municipal Dispensaries. As regards Madura, however, the figures include the attendance at an institution belonging to the American Mission which is merely aided from Municipal Funds, and it should be mentioned that the

Srirungum Dispensary only completed the first year of its existence in the year under report. The total expenditure on Hospitals and Dispensaries rose from Rupees 1,13,722 to Rupees 1,28,192, and in three Municipalities only was no expenditure incurred on this object of the Act, one of these being the newly established Municipality of Chellumbrum. At Vizianagram, Municipal expenditure is rendered unnecessary by the existence of an institution maintained by the Rajah, and in the case of Cannanore the necessary provision of funds was made, but no expenditure was incurred, owing to arrangements for the transfer of the old Garrison Hospital building not having been completed within the year.

11. Vaccination cost Rupees 10,103, or Rupees 1,557 more than in the previous year, and in many localities a very fair amount of work was done for the money. The town of Palghaut may be instanced, where, out of a population of 30,752 persons, 4,292 were vaccinated at an average cost of about 1 Anna and 10 Pies per operation. In some places, however, the opposition experienced by the vacci-

nators was very great, as for example at Chicacole, a town with a population of 15,587, where only 137 operations were performed in the course of the year. In a few Municipalities, irrespective of the difficulties to be overcome, the arrangements appear to have been unnecessarily costly, as at Bellary for instance where three vaccinators were entertained and a reward of 2 Annas given to every person successfully vaccinated with the meagre result of 1,369 operations at an average cost of 7 Annas and 3 Pies.

12. The expenditure on the Registration of Births and Deaths was a little in excess of that of the previous year. The results seem to be improving, but it cannot yet be said that the returns are thoroughly reliable, and the Municipal Commissioners, as a rule, shrink from a rigorous enforcement of the penal clauses of the Act.

13. As usual, the expenditure on Conservancy (*exclusive* of Public Works) was much higher than on any other single object of the Act and amounted to Rupees 2,79,075, or nearly 24 per cent. of the total Municipal expenditure.

14. The towns in which the outlay on Conservancy exceeded Rupees 10,000

Town.	Population.	Expenditure on Conservancy.	Incidence per head of Population.
Bellary	51,766	19,700	0 6 1
Madura	51,987	24,009	0 7 5
Salem	50,012	13,626	0 4 4
Combaconum	44,444	11,049	0 3 11
Negapatam	48,525	13,170	0 4 4
Tanjore	52,175	13,370	0 4 1
Trichinopoly	76,530	17,848	0 3 9

are shown in the marginal note, from which it will be seen that in these Municipalities the expenditure on conservancy per head of population varied from Rupee 0-3-9 in Trichinopoly, to Rupee 0-7-5 in Madura. In addition

to this outlay on Conservancy proper, it may be mentioned that Rupees 5,725 were spent in Bellary in improving the water supply, and (as above mentioned) Rs. 11,353 on the important sanitary work of reclaiming the Trichinopoly Moat, besides numerous minor sanitary works in all the towns. Taking Sanitation and Medical Services together, the total expenditure for the year, exclusive of Public Works, was Rupees 4,27,510, or rather more than 36 per cent. of the total Municipal expenditure. In the case of Madura it is reported that Sanitation and Medical Services absorbed as much as 73 per cent. of the actual Municipal collection of the year.

15. In the year under report, lighting was introduced into four more Municipalities and the total outlay under that head rose from Rupees 49,130 to Rupees 58,933. It is one of the most popular objects of Municipal expenditure, but being more of a convenience than a necessity, the Commissioners of most Municipalities seem to feel themselves at liberty to devote to it only a small portion of the funds entrusted to their care.

16. The cost of Management and Collection fell from Rupees 1,08,120 to Rupees 1,05,487, or 9-4 per cent. of the total income of the year.

*Proceedings of the Madras Government, Financial Department,
12th April 1875.*

17. As above mentioned, the closing balance was Rupees 54,957 less than the amount with which the year opened, but it was still as high as Rupees 1,77,623, or rather more than 13 per cent. of the total amount available for expenditure.
