Read the following letter from the S. D. Engineer, Salem, through the P. & S. Department, of 5<sup>th</sup> June 1878, No 34.

Order thereon

Provision for the purchase of the house should be made in the Public Works Budget for 1876-77.

There are no funds available for the purchase in the current year.

I think the purpose is to transfer the Rs 5000 in view of provision being made by the Govt. of this from the Public Works Budget grant, as in Rs 2500 at least to be made by the Govt. of this.
