*Proceedings of the Madras Government, Revenue Department,
18th June 1875.*

No. 145. Read the following Endorsement of the Officiating Secretary to Government, Public Works Department, dated Ootacamund, 14th June 1875 :—
Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Dowlaishweram, 3rd June 1875, No. 760.

As directed in G. O., No. 1,306, I have the honor to report that I see no objection to the arrangements proposed by the Revenue Board in regard to Irrigation Registers.

2. Our Delta Superintendents obtain information regarding the extent of irrigation from the Curmams of villages, who also furnish it to the Revenue Department; so that except for the Delta Superintendents' and Range Officer's knowledge of facts, and the probability of their bringing to notice deficiencies in the areas given, our statements are but a slight check on those of the Revenue Department.

3. Slight however as the check may be, it is of some value, and any serious errors would doubtless be detected by it through the Range Officer's own knowledge of the locality and the quantity of water given to it, should the Delta Superintendent fail to bring such errors to notice.

TRANSFERRED to the Revenue Department.

Officiating Secretary to Government, P.W.D.
