Reference
No. 11

Sir,

I be directed by your
Excellency in Council dated
28th March No. 7 of 1875
to state that a full report by
the Collector of Cuddapah
on the effect of the Cole
rain in that district has
been forwarded to me. I have
to inform your Excellency
in Council that the report

His Excellency
The Honorable
The Governor in Council
Fort St George

have not been received and
that the only enclosure to
the despatch is a report by
the Collector of Chingleput on
the damage caused by the
heavy rains in certain
Talliqs in that District.
I observe that a copy of the
report of the Collector of
Cuddalore may be transmitted
to me at the early convenience
of your Excellency in Council.
I shall transmit to the
report of the Collector
of Chingleput, suggested
to obtain that 200 tanks
have been repaired. The
instructions to the District
Officers relative to the

necessary steps for the early
repair of the Tanks were
very proper, but I fear that
the population of the Taliqs
will have to endure
considerable privations
before the rains again set in.

I have the honor to be

Sir

Your obedient humble servant
