*Proceedings of the Madras Government, Revenue Department,
21st June 1875.*

No. 163. Read the following Proceedings of the Board of Revenue, dated 10th June 1875, No. 1,569, Forest No. 105:—

Read the following:—

From E. W. MORGAN, Esq., Deputy Conservator of Forests, Mettoopolliam and Bolumpetty Ranges, to A. WEDDERBURN, Esq., Collector and Conservator of Coimbatore, dated 10th May 1875, No. 91:

I HAVE the honor to draw your attention to my letter, No. 30, dated 23rd April 1875, soliciting sanction for the entertainment of two peons for my office use and to go with me on circuit, as the present two peons are barely sufficient for the due and efficient performance of the in and out door work which, since the transfer of the Bhowany, Collegal, and Sattiamangalam Forests to my charge, has been considerably increased.

2. By the Board's Proceedings, No. 48-860, dated 8th April 1875, you will observe that the sanction for office peons to be employed even as a temporary measure requires to be accorded by Government. I request, therefore, you will be good enough to apply to Government, through the Board, for early sanction of the two temporary office peons needed pending the revised scheme of establishments of the Madras Forest Department now under preparation by Captain Campbell Walker.

No. 133.

Submitted to the Board of Revenue for favorable consideration.

2. Mr. Morgan has at present two peons, who are quite insufficient for his work. In the revised scale of establishment now in the hands of the Inspector of Forests two additional peons, on Rupees 7 each, are provided for, who can be entertained at once as a temporary measure till the revised scale of establishment is formally sanctioned.

Coimbatore,
14th May 1875.

(Signed) A. WEDDERBURN,
Collector.

Submitted for the sanction of Government temporarily pending the general revision of the Forest Establishments.

2. The cost can be met from General Savings.
