No. 192. Read the following Proceedings of the Board of Revenue, dated 14th December 1874, No. 3,609:—

Read the following letter from R. K. PUCKLE, Esq., Collector of Tinnevely, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 20th November 1874, No. 615:—

With reference to my appointment at page 1594 of the *Fort St. George Gazette* to act as Director of Revenue Settlement, I conclude that the settlement of the Tinnevely District will be under my general direction. On this assumption, I have consulted with Mr. Comyn, and have arranged that all correspondence shall pass through the Collector of the District, the only difference between the present and proposed arrangements being that the Collector will correspond with me on settlement matters instead of with the Board as hitherto. The Additional Sub-Collector and Special Assistant are working the Settlement Establishment, and understand all the details of the work. By the correspondence passing through the Collector, he will know all that is going on, and will have an opportunity of acquiring such special information as may be requisite to enable him to carry out the system as introduced taluq by taluq.

SUBMITTED to Government.

2. The Board approve of the arrangements reported by Mr. Puckle.
