No. 191. Endorsement of the Officiating Chief Secretary to Government, dated Ootacamund, 26th May 1875 :—

Read the following Proceedings of the Board of Revenue, dated 18th May 1875, Miscellaneous No. 4,392.

Read the following letter from J. HUNTER-BLAIR, Esq., Collector of Madras, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 1st May 1875, No. 193.

I HAVE the honor to submit, for the favorable consideration and orders of the Board of Revenue, copy of a letter from the Acting Deputy Collector of Madras, dated 27th April 1875, No. 140, asking for a consolidated monthly travelling allowance in consideration of the nature of the duties of his office which, if properly superintended, require that he should move about from one part of the town to another on inspection works.

2. Travelling about the town and the outer limits involves considerable distances, and it does not appear to me fair to require the Deputy Collector to provide more than one carriage and horse out of his salary.

3. The position of the Deputy Collector here is analogous to that of a Deputy Collector on general duties in the mofussil, and an officer of that last class in that grade gets a daily travelling allowance of 2 Rupees.

4. I think the Deputy Collector in Madras may, therefore, be fairly allowed a horse allowance of Rs. 45 monthly, for which sum a horse can be hired from one of the livery stable-keepers. Of course, he will be bound to keep two horses,—one of his own, and one for which he gets the allowance.

5. In their order, dated 14th October 1873, No. 1,107, Government sanctioned a carriage allowance of Rs. 3 per diem to R. Tagoonatha Row, the late Deputy Collector, while employed on the special duty of preparing the Pauchelvari or Irrigation Registers. These charges will merge in the horse allowance now recommended.

SUBMITTED for the orders of Government.

2. The Board cannot support the Collector's recommendation in favor of the grant of a consolidated monthly travelling allowance to the Deputy Collector, but consider that he ought to be allowed to draw batta at the rate fixed for an officer of his class, *viz.*, Rs. 2 per diem, whenever h s called upon to visit the outer limits in the course of his duty.

3. Under the Notification of the Gov ment of India, dated 5th February 1874, No. 929, and the decision of Governmen G. O., 19th May 1874, No. 608, the Deputy Collector is not entitled to any all ance for these occasional visits, unless his journey extends to a point more than fi miles from headquarters, which would probably often not be the case. The E I consider, however, that an exception should be made in the case of the Deputy lector of Madras.

Miscellaneous.

The Government consider that the best plan will be to allow the Deputy Collector of Madras to charge horse or carriage-hire in his Contingent Bill to an amount not exceeding 45 Rs. monthly in the aggregate on declaration that the charge was *bonâ fide* incurred for the public service.

It will be seen that the Accountant General has by his Report stated that any Allowance beyond Eight Bushels per Acre of Oats

The Petitioners have not attempted to prove that their Oats were of a better Quality than Oats usually are, but have contented themselves with proving that their Oats were of a larger Size than usual, and that they yielded more than Eight Bushels per Acre
