Proceedings of the Madras Government, Revenue Department,
24th June 1875.

No. 197. Read the following Proceedings of the Board of Revenue, dated 16th June 1875, No. 1,652 :—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to R. B. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 29th May 1875, No. 242 :—

In October last the Inspector of Post Offices, Cocanada Division, has applied

	rs.	to me for the entertainment of an
* One Gamusta	10	establishment* at a cost of Rupees 19
One Delivery Peon	7	per mensem at Waddigudem in the
House-rent	1	Bhadrachellam Taluq, recommending
Contingencies	1	the abolition of the District Post line
Total	19	between Bhadrachellam and Waddigu-

dem at a cost of Rupees 52-8-0 as soon as the direct line of postal communication between Rajahmundry and Bhadrachellam *via* Waddigudem is sanctioned by the Director-General of Post Offices. I have accordingly sanctioned the establishment, considering that the additional charge can be met from the savings proposed by him. But the Inspector has entertained the establishment from November last without the direct line referred to above being opened. The Postmaster-General has not consented to open the line. The difference between the former and present scale of establishment of the Bhadrachellam Taluq is Rupees 5-8-0 as shown below, the establishment at Kanavaram having been abolished :—

Former Establishment.				Present Establishment.			
	RS.	A.	P.		RS.	A.	P.
10 Runners, at 5 Rupees each ...	50	0	0	10 Runners, at 5 Rupees each ...	50	0	0

Total	63	8	0	Total	69	0	0
				Deduct cost on former scale ...	63	8	0
				Difference	5	8	0

2. The Accountant-General objects to pass the bill on the increased scale for want of authority.

3. Waddigudem, as the Board are aware, is the head-quarters of the Jungle Daroga, and is a place of some importance.

4. As the Board and Government are of opinion that the cost of the District Post Establishment of the Bhadrachellam Taluq should be met from the District Post Funds of the Godavery District, the amount has since been drawn from those funds.

5. The sanctioned grant of the District Post for the last official year is Rupees 7,625, of which a sum of Rupees 7,057 was spent up to the end of the year inclusive of the cost of the Bhadrachellam Taluq on the increased scale, leaving a balance of Rupees 568.

*Proceedings of the Madras Government, Revenue Department,
24th June 1875.*

6. I have, therefore, the honor to request that the Board will obtain the sanction of Government for the continuance of the District Post Establishment at Waddigudem and for allowing the cost of the same to be drawn from November last.

7. Waddigudem is situated on the banks of the Sebari river which joins the Godavary at that place. It used to be the custom to make the constable at Kannuram look after the Post-office work there: this he cannot do properly, and whether the direct line from Bhadrachellam to Rajahmundry is sanctioned or not, I think it necessary to keep the establishment at Waddigudem.

Submitted to Government with the request that sanction may be accorded for raising the scale of Postal Establishment for the Bhadrachellam Taluq from Rupees 61-8-0 to Rupees 62 with retrospective effect from November last.

4. As the Board and Government are of opinion that the part of the District Postal establishment of the Bhadrachalam Subeg should be met from the District Post funds of the Godavari District, the amount has since been drawn from those funds.

6 I have therefore the honor to request that the Board will obtain the sanction of Government for the continuance of the District Post establishment at Washington, and for allowing the cost of the same to be drawn from a Treasury
