*Proceedings of the Madras Government, Revenue Department,
25th June 1875.*

No. 205. Read again letter from the Professor of Physical Science, Presidency College, dated 19th June 1875.

Read also the following letter from J. L. COCKERELL, Esq., Commissioner of the Nilgiris, to A. MACGREGOR, Esq., Acting Secretary to Government, Revenue Department, dated Ootacamund, 22nd June 1875, No. 45:—

GOVERNMENT Order, 21st June 1875, No. 936, Revenue Department, desires me to report whether the apparatus and books of Mr. Broughton, the late Quinologist, can be made over to Mr. Wilson, the Professor of Physical Science at the Presidency College, for use at the College.

2. I am of opinion that this mode of disposing of the apparatus and books is desirable. I have consulted Mr. McIvor and he concurs.

3. No doubt such part of the apparatus and books as is the private property of Mr. Broughton will be available for that gentleman, if claimed.

4. There is a binocular microscope among the apparatus. I have the honor to request that this instrument may be entrusted to Mr. Jamieson for use in connection with the Botanical Gardens.

No. 206. ORDER THEREON, 25th June 1875, No. 959.

Miscellaneous.

The Government resolve to direct that the apparatus and books of the late Government Quinologist, with the exception of the binocular microscope, which it appears is required by the Superintendent of the Botanical Gardens, be made over to the Professor of Physical Science at the Presidency College.

2. Mr. Wilson is requested to arrange for their safe packing as proposed by him.

3. All private property of Mr. Broughton, books, &c., should be retained by the Commissioner.

(True Extract.)

(Signed) A. MACGREGOR,
Acting Secretary to Government.

To the Commissioner of the Nilgiris,
W. H. Wilson, Esq., Professor of Physical Science,
Presidency College.
