Proceedings of the Madras Government, Revenue Department.
26th June 1875.

No. 214. From C. J. LYALL, Esq., Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Forests,) to A. MACGREGOR, Esq., Acting Secretary to the Government of Madras, dated Simla, 4th June 1875, No 619 :—

In your letter, No. 1,475, dated 1st December last, it was proposed to modify the scale of the controlling establishment of Forest Department in the Madras Presidency, with the view of limiting future nominations, as far as possible, to men trained in Europe. No intimation has, however, been received as to whether the Government of Madras desire to have any of the trained Assistants who are annually sent out to the Government of India by the Secretary of State. Seven Assistants may be expected at the close of this year, and if the Government of Madras desire it, one of them could be allotted to that Presidency, but more cannot be spared this year. The Government of India should, I am directed to add, be informed at an early date of the wishes of the Government of Madras in this respect, in order that the Secretary of State may be apprised of the arrangements to be made for the distribution of the Assistants.

2. I am, at the same time, to inform you that the Government of India will not be able to spare any of the trained Assistants expected in 1876 and 1877. The intentions of the Madras Government in this respect not being known at the time, the selections of November 1873 and 1874 were limited to two candidates each year, and these will all be required in the provinces under the Government of India. At the next selection, which is to be held in November next, the Secretary of State has already been requested to nominate two men to be sent out in 1878; but if the Government of Madras expects to require any trained officers in that year, I am to request the favor of an early intimation, in order that arrangements may be made at once with the Home Government for the selection of additional men.

SIR,

In your letter of the 1st December last it was proposed to modify the scale of the controlled Establishment of the Forest Department in the Madras Presidency with the view of limiting future nominations as far as possible to men trained in Europe. No intimation has, however, been received as to whether the Government of Madras desire to have any of the trained Mountaineers who are annually sent out to the Government of India by the Secretary of State. Several Assistants may be expected at the close of this year and if the Government of Madras

assuming it, one of them could be
allotted to that Presidency but
more cannot be spared this
year. The Government of India
should, I am directed to add,
be informed at an early date
of the wishes of the Government
of Madras in this respect in
order that the Secretary of
State may be apprised of
the arrangements to be made
for the distribution of the
Assistants.

I am at the same
time to inform you that the
Government of India will not
be able to spare any of the
trained Assistants expected
in 1868 and 1869. The intentions
of the Madras Government
in this respect not being known
at the time, the selections of
1867 and 1868 were limited
to two candidates each year,
and these will all be required
for the provinces under the Govern-
ment of India. At the next election
which is to be held in November

next, the Secretary of State has
already been requested to nominate
two men to be sent out in 1868,
but if the Government of Madras
wishes to require any trained
Officers in that year, I am to
request the favour of an early
intimation of the number in
order that arrangements may
be made at once with the
Home Government for the
selection of additional men.

I have the honour to be
Sir,

Your most obedient servant
