Forest Offences.

No. 218. Proceedings of Government, 30th April 1875, No. 1033.

The attention of Government has been attracted by occasional sentences of flogging for "theft of bamboos," &c., on the prosecution of Forest Officers, as shown in the returns.

2. The Governor in Council considers that this ignominious description of punishment is very objectionable in the great majority of such cases, and directs the attention of Magistrates to the imposition of the alternative punishments provided by law.
