SUBMITTED for the orders of Government.

2. This Jari Brahmadaya allowance of Rupees 5-6-10 per annum, which was transferred to Raghavendra Chariar by the former holder Seetamma, was, on her death, discontinued by the Collector in 1868, on the ground that the grant was inalienable. It having been subsequently ruled by Government that such grants are alienable (G. O., dated 20th May 1869, No. 1,421), an application was made for the renewal of the grant, but it was rejected under the erroneous impression that the grant was affected by G. O., dated 29th June 1871, No. 1,126, in which Government declined to resuscitate Inams which *previously* to 1867 had been declared lapses, owing to the nonperformance of the required services. But the allowance in question was, under a mistaken notion, discontinued in 1868.

3. The Board recommend that the renewal of the grant and payment of arrears be sanctioned.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th December 1874.

Read the following letter from A. McC. WEBSTER, Esq., Acting Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 10th November 1874, No. 2,399:—

I have the honor to report on the Board Petition No. 1,191 of 1874, presented by one Raghavendrachariya of the Mangalore town.

2. The three items* of allowances originally claimed by the petitioner were last held by one Sectamma (female). She

† Collector's Order, 31st January 1868, No. 40. Inams to have lapsed.† Government having, however, subsequently† held that agraharam grants were alienable, the

petitioner's claims were afterwards recognized in respect of two out of the three items and assignments were made out of the beriz of certain wargs. The only item which now forms the subject of the Board petition and which was paid in cash was declined to be continued by my predecessor on the ground that the Gov-

ernment Order, noted in the margin,† regarding a proposal to revive certain

lapsed Inams of this kind affected the petitioner's claims also.

3. The case is not one of those disposed of in G. O., dated 29th June 1871, No. 1,126, inasmuch as it was not entered in the list submitted on 2nd June 1869, on which the Board called for a detailed report.

4. It should, however, have been entered and the Government Orders would then have applied to it as the lapse occurred subsequent to 1867, date fixed by Government in their Proceedings of 29th June 1871, as being the limit beyond which they would not sanction the resuscitation of Inams.

5. The Board petition and its enclosures are herewith returned.

Enclosure No. 1.—Petition.

In the circumstances explained by the Acting Collector, the allowance should clearly be continued to petitioner from the date of the last holder's death. The Acting Collector will submit the usual application for the payment of arrears due, when the Board will obtain the sanction of Government in the matter.

2. Petitioner will be referred to the Collector.
