*Proceedings of the Madras Government, Revenue Department,
26th June 1875.*

No. 235. Read the following Proceedings of the Board of Revenue, dated 12th June 1875, Miscellaneous No. 5,248 :—

Read the following letter from A. McC. WEBSTER, Esq., Acting Collector of South Canara, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 28th May 1875, No. 931.

PREVIOUS to the receipt of the Board's Proceedings of 10th April 1875, No. 881, regarding the preparation of the District Manual, I had received a letter from Mr. Stokes, my Assistant, expressing his willingness to undertake the work, and I had written a letter to the Board recommending that the duty for which he is fully qualified should be entrusted to him.

2. On receipt of the Board's Proceedings, I however stopped the despatch of this letter from my headquarter office until my return to Mangalore, as I wished to speak to Mr. Stokes on the subject before replying.

3. The settlement of claims to forest lands in this district is a matter that will take up a considerable portion of my time, and will necessitate my frequent absence from headquarters, as I see that I shall have to hold a personal inquiry on the spot in most of the cases before I can decide on the claims. I do not think, therefore, that I can possibly undertake the work of compiling the District Manual. Mr. Stokes is, however, willing to do the work, and I shall most cheerfully give him all the assistance in my power, and will, if the Board desire it, write the revenue and landed tenures portions of the Manual myself.

4. If, however, the Board desire that I should do the whole of the work myself, I need hardly say that I will be happy to undertake it, and will try to get it finished within the time specified.

SUBMITTED to Government, with reference to G. O., 13th March 1875, No. 412.

2. As Mr. Webster states his inability to undertake the work, and Mr. Stokes is reported to be both willing and fully qualified to compile the Manual, the Board recommend that the duty should be entrusted to him, and that the work should be entirely left in his hands.
