*Proceedings of the Madras Government, Revenue Department,
30th June 1875.*

No. 241. Read the following letter from A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Surveys,) to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to the Government of Madras, dated Simla, 29th May 1875, No. 365 :—

In continuation of endorsement, No. 342 (Surveys), dated the 15th instant, I am directed to explain, with reference to paragraph 2 of the memorandum, dated 24th March last, therewith forwarded, in which it is stated that "the Revenue Department does not recommend the expenditure of Rs. 50,000 a-year for a topographical survey of forest or waste lands, &c.," that the Governor-General in Council does not doubt the advantages anticipated by the Government of Madras from the employment of an additional topographical survey party under that Government, but that much difficulty has been experienced in working the survey parties under the direct control of the Government of India, in consequence of the necessity of confining expenditure to the sums at present assigned for surveys. His Excellency in Council is, therefore, unable to afford any additional funds for the extra survey party required for the Madras Presidency.

2. If His Excellency the Acting Governor in Council is, however, able to show how the No. 3 topographical survey party, which is at present in charge of the Central Provinces and Vizagapatam Agency Survey, can be utilised in any way so as to afford the Government of Madras assistance in the districts to be surveyed topographically, the Governor-General in Council will be glad to do all he can to meet His Excellency's wishes.

No. 242. ORDER THEREON, 30th June 1875, No. 977.

Miscellaneous.

COMMUNICATED to the Superintendent of Revenue Survey in continuation of G. O., 28th May 1875, No. 832.

(True Extract.)

(Signed) A. MACGREGOR,
Acting Secretary to Government.

To the Superintendent of Revenue Survey.

The Chief Secretary to the
Government of Madras.

Simla, dated 29th May 1875.

Surveys

SIR,

In continuation of endorsement
No. 342 (Surveys) dated the 15th instant, I am
directed to explain, with reference to paragraph
2 of the Memorandum dated 34th March
last therewith forwarded, in which it is
stated that "the Revenue Department does
not recommend the expenditure of Rs. 50,000
a year for a topographical survey of forest
or waste lands"; that the Governor General
in Council does not doubt the advantages
anticipated by the Government of Madras
from the employment of an additional
topographical survey party under that
Government, but that much difficulty has
been experienced in working the survey
parties under the direct control of the
Government of India in consequence of

the necessity of conferring expenditure to the sums at present assigned for surveys. His Excellency in Council is therefore unable to afford any additional funds for the extra Survey party required for the Madras Presidency.

2. If His Excellency the Acting-Governor in Council is, however, able to show how the A.S. Topographical Survey Party which is at present in charge of the Central Provinces and Vizagapatam Agency Survey, can be utilized in any way so as to afford the Government of Madras assistance in the Districts to be surveyed topographically, the Governor General in Council will be glad to do all he can to meet His Excellency's wishes.

I have the honour to be,
Sir,

Your most obedient servant,

Robt Bruce

Secretary to the Govt. of India.
