No. 5. Read the following Proceedings of the Court of Wards, dated 12th May 1875, No. 1,248 :—

Read the following Proceedings of the Madras Government, dated 6th April 1875, No. 548, Revenue Department :—

ABSTRACT.—*Quit-rent payable to Government on Inams in the Parlakimedy, Barwah, and Jalantra Estates in Ganjam District.*—Sanctioning Rupees 8,371-4-0, being the amount of remission made in Parlakimedy, also the grant to Barwah of the whole amount of the commission due, and to Parlakimedy and Jalantra the amount less the commission on the outstanding quit-rents.

COMMUNICATED to the Collector of Ganjam for his information and guidance.

2. The Court observe that the amount of Rupees 8,371-4-0 has been already struck off as irrecoverable arrears under the orders noted in the margin. Except in the case of cancelled Title-deeds, Quit-rent under the other heads included in the above amount will, of course, be collected for years other than those for which the remission is granted.

Board's Proceedings, dated 31st March 1869, No. 2,060.
G. O., dated 11th May 1869, No. 1,313.
G. O., dated 3rd April 1871, ,, 618.
Board's Proceedings, dated 19th Dec. 1870, No. 7,184.

3. With reference to the remark of Government in paragraph 2, the Court beg to observe that the principle laid down by them in their Proceedings, dated 28th January 1874, No. 151, was that the 10 per cent. allowance should be paid [illegible] of quit-rent, whether it is collected from the Inamdars or not, and it was precisely on this principle that the Court recommended that a portion of the commission should be set off against the quit-rents due. The arrangement proposed by the Court has the same effect as the Zemindars paying the entire quit-rent whether they collect it or not, whereas to grant commission only on the amount actually collected is equivalent to relieving the estates from the responsibility of paying the *entire* quit-rent.

4. The Collector will report whether the Court can, for the future, undertake the payment of the entire amount of quit-rent less 10 per cent. whether it is collected or not, without loss to the estates concerned.
