*Proceedings of the Madras Government, Revenue Department,
1st July 1875.*

No. 11. Read the following Proceedings of the Board of Revenue, dated 28th May 1875, No. 1,447:—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 28th November 1874, No. 2,830.

I HAVE the honor to acknowledge the receipt of the orders marginally noted on the claims of the Rajah of Venkatagiri for compensation.

2. The orders sanctioning the permanent deduction of Rupees 2,020 from the peishush from Fasli 1283 having been issued upwards of three

months after the close of that fasli, this change can only take effect from the current Fasli 1284 so far as the accounts are concerned.

3. As already reported in paragraph 4 of my letter, No. 1,374, dated 29th June 1874, the Rajah was allowed to withhold payment of Rupees 4,977 from the amount of peishush payable by him for Fasli 1283. This sum includes the amount of the permanent deduction (Rupees 2,020) for that fasli and the lump payment of Rupees 2,957 sanctioned in G. O., dated 31st July 1874, No. 955. I shall instruct the Treasury Deputy Collector to debit Rupees 4,977 to refunds, and credit the same to the balance outstanding against the Rajah for 1283.

4. This disposes of all the old claims of the Rajah on account of the three projects of Chennur Channel, East Coast Canal, and the Venkatagiri Road. The back-payments on account of his old claims up to the end of Fasli 1282 have now to be settled. The amount of permanent deduction on account of these old claims is Rupees 1,272-8-3, or Rupees 1,275 in round numbers. The details of this amount will be found in Statements A and B forwarded with my letter, dated 17th April 1873, No. 879, the former exhibiting lands actually taken up, and the latter showing wet lands, the supply whereof was intersected. The amount, as per Statement A, is Rupees 923-12-0, and the amount, as per Statement B, is Rupees 348-12-3. The year in which these lands were taken up and the amount due to the Rajah from those years up to the end of Fasli 1282 are given below. The total amount payable is Rupees 14,955-13-7.

*Proceedings of the Madras Government, Revenue Department,
1st July 1875.*

5. In the first two cases of Statement A, for which the time is not definitely known, I have taken the last of the two years for the calculation of back-payments. As regards the last case of Statement A, for which the year is not known at all, I have calculated the back-payment from Fasli 1278, when the Rajah sent in his accounts. The amount involved in this case is a trifling sum.

Submitted for the orders of Government.

2. In G. O., dated 31st July 1874, No. 955, the sum of Rupees 2,020 was ordered to be annually deducted from the peishush of the Venkatagiri Zemindari on account of land taken up for roads and channels. This included a reduction of Rupees 1,273 on account of lands taken up at various times long past, on account of which refunds of the sums collected for varying periods since the lands were taken up have also to be made.

Reduction of the peishush sanctioned for Fasli 1283, but not carried into effect, the order having been received late ...	Rs. 2,020 0 0	correct, together with further sums due to the Rajah as shown in the margin, Rs. 19,932-13-7. The Collector proposes to pay the first two items by debiting the amount to refunds and crediting it to the arrears of the Rajah's peishush due for Fasli 1289, and requests sanction for the payment of the third item of Rs. 14,955-13-7. The Board support the Collector's recommendation. The whole sum can be conveniently adjusted in the manner proposed by the Collector.
