No. 292. Read the following Proceedings of the Board of Revenue, dated 21st July 1876, Miscellaneous No. 6,191:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 15th July 1876, No. 253.

In the *Fort St. George Gazette* of the 14th instant, Mr. Ross, Assistant Collector, was appointed to act as Head Assistant Collector of this district. Under the orders of Government received direct, he had, in fact, taken charge of the office on the 21st June.

2. This arrangement will leave me without any Covenanted Assistant at Head-quarters. I cannot, therefore, under the rules in force, myself leave Bellary. This is sufficiently inconvenient at any time, but I beg to bring to the notice of the Board the extreme inconvenience which will result in the present instance, if another Covenanted Assistant is not posted to the district.

3. The season as yet is bad; accounts of distress are coming in from the Western Taluqs and from the South in the Pennakondah Division. I fear they will soon come from other parts as well. At such a time to be unable to leave Head-quarters will be most inconvenient. I do not say that it will be actually necessary for me to go on circuit, but I ought to be free to go any moment it is thought necessary.

4. I would have asked that Mr. Ross might be allowed to remain some little time at Head-quarters, had it not been that his presence is required in his own division, where relief works have, as the Board know, been already put in hand.

SUBMITTED for the orders of Government

2. Mr. Ross ought certainly not to leave his division and until Government are able to appoint an Assistant. Mr. Master may leave the treasury keys in charge of the Treasury Deputy Collector whenever the necessity for his leaving Head-quarters arises.

the Judicial Department, marginally noted; but it will be observed that there is no absolute instruction prohibiting a Collector leaving his chief station in the absence of an Assistant to represent him. It is obvious that the necessity for his doing so may frequently arise; and in regard to the town of Bellary, the Cantonment Magistrate would always be at hand.

2. A telegram will be sent to the Collector authorizing his absence from Bel-
lary. No Assistant Collector is available, but a temporary Deputy Collector and
Magistrate will be appointed in accordance with G.O., 22nd April 1876, No. 535.
Such an officer would have been appointed directly Mr. Master lost his Assistant, had
he applied for it.

*Proceedings of the Madras Government, Revenue Department,
21st June 1866.*

No. 465. Read the following Proceedings of the Board of Revenue, dated 11th June 1866, No. 3,980.

Read again letter from the Collector of Cuddapah, dated 21st April 1866, recorded in Board's Proceedings, 1st May 1866, No. 3,069.

Read also the following letter from the Accountant General to the Government of Madras, to the Secretary to the Board of Revenue, dated Fort Saint George, 14th May 1866, No. 257:—

With reference to the Board's Proceedings, No. 3,069, dated 1st instant, I have the honor to state, that looking at the Orders of Government noted in the margin, I am not aware of any objection to the keys of a Treasury being left, in the absence of the Collector, in charge of the Resident Assistant, or other European Covenanted Officer, who may remain at the head quarter station, under the operation of Government Order, No. 1,699. I presume, however, that this arrangement will need the sanction of Government, with reference to the Proceedings of Government in the Revenue Department, No. 2,089, dated 9th November 1860.

The sanction of Government will accordingly be requested to the arrangement proposed by Mr. Smith.

Proceedings of Govt. dated 29. Novr. 1865 A. 1699.

Para 1

It having been brought to the notice of Govt. that inconveniences occasionally result, during the absence of Collectors and Magistrates from their head quarter stations, from there being no European Officer of the Magistracy at hand to deal with important public business, the Governor in Council directs that, in future, every Collector and Magistrate will arrange to have a European Commissioned Officer at the head quarters of the District, whenever he may be himself absent from it, and in any instance in which such an arrangement may not be feasible, that he will report the circumstances to Govt. and the arrangements he has made for the performance of public business at the head quarter station.
