To Surgeon-General C. Balfour
Surgeon-General
Indian Medical Department
Fort St. George

Sir I beg to acknowledge receipt
of copy of Proceedings of Govt No. 1665
of November 20th 1875 & also of your
letter dated November 25th 1875
No. 9243 in which you request the
favor of my detailing fully the extent
of my chemical attainments.

I beg to state in the following lines
the duties which I had to perform
during the eight years of my service
under Mr. Broughton the late Govt.
Lunologist.

I was employed in the Laboratory at
Potacamund for 5 years during which
my duties were, The Analysis of Cinchona
barks, preparation of Reagents in
the Laboratory, preparation of salts etc.

for experiments, the determination of the
amount of Arsenic & Carbonate of Potash
in Tobacco, & other chemical work
under instructions from Mr Bronghton,
and for the last 3 years in the Manufactory
at Addisvatten my work solely consisted
in the preparation of the Amorphous
precipitated Alkaloids.

I possess a theoretical knowledge
of Chemistry but owing to the nature
of my duties I have not had practice
in Qualitative or Quantitative Analysis.

Surgeon-General,

Indian Medical Department,
Fort Saint George,

To

The Secretary to Government
Revenue Department.

SIR,

On receipt of G. O. No 1665, of 20th ultimo,
I asked Mr. Miller to mention to me the
extent of his qualifications in Chemistry, and
I enclose the letter which he has written in
reply. I regret to mention that there is not
at present, nor probably in the future, any
opening in the Medical Department in which
he could be employed.
